

Andria Lounge Chair - Arashi Black

110962

Lose track of time while relaxing in this outdoor lounge chair from the new Outdoor by SUNPAN collection. This modern design features a tapered seatback covered in dark greymix weave with an arashi black fabric seat and natural teak wood base. Teak wood will develop a silver-grey finish over time. Teak wood has a high oil content that enables its outdoor resistant properties. These natural oils may surface and potentially leave teak marks on fabrics upon contact, which can be easily washed away. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
