

Capri Counter Stool - Natural

110439

Blur the lines of inside and out with this beautiful outdoor counter stool. This comfortable design features a barrelback frame wrapped in dark greymix weave and seat cushions in gracebay grey fabric. A natural teak wood base completes the look. Teak wood will develop a silver-grey finish over time. Teak wood has a high oil content that enables its outdoor resistant properties. These natural oils may surface and potentially leave teak marks on fabrics upon contact, which can be easily washed away.
