

Geneve Lounger

109523

Appreciate warmth and sunlight while seated in an outdoor living space inspired by the Arizona desert. This lounger features upholstery in durable palazzo cream fabric, atop a natural teak wood frame. Finished with a powder coated aluminum base. Teak wood will develop a silver-grey finish over time. Teak wood has a high oil content that enables its outdoor resistant properties. These natural oils may surface and potentially leave teak marks on fabrics upon contact, which can be easily washed away. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
