

Viga Counter Table

109531

Relax in a clean, modern space with this rectangular counter table from our Outdoor by SUNPAN collection. Crafted with solid teak wood panels for a classic silhouette. Teak wood will develop a silver-grey finish over time. Teak wood has a high oil content that enables its outdoor resistant properties. These natural oils may surface and potentially leave teak marks on fabrics upon contact, which can be easily washed away. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece. As wood is an organic, porous material, these pieces will contain natural variations of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
