Light that matters

**Silk Lighting Maintenance:** All Lampshades in the Silk Lighting Collections are made of hand dyed, treated crushed silk that is resistant to mold and fire. The silk is sculpted over a metal structure. For optimal maintenance, vacuum the silk frequently and avoid direct sunlight or smoke. To remove stains use upholstery foam cleaner. (As these vary depending on manufacturer, testing the product on a hidden spot is recommended)
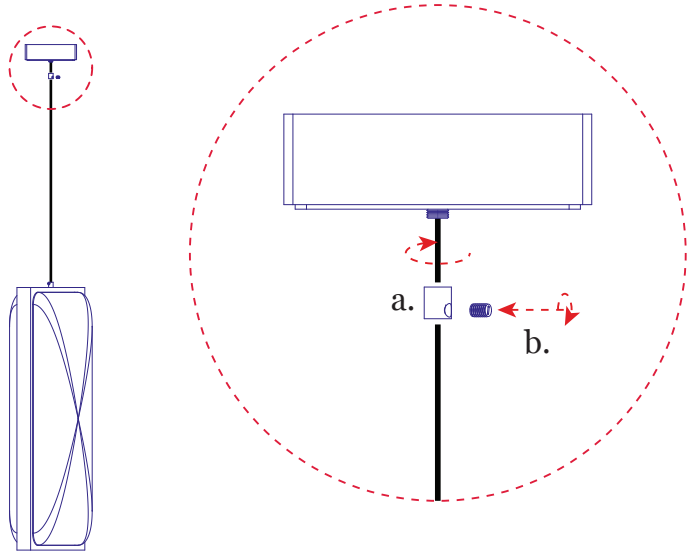

**1** Install ceiling plate using the supplied bolts.

**2** Thread the power cord through all the parts as shown and connect Power to terminal block.
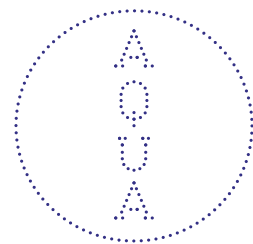

Europe

U.S.A

**3** a. Screw the Stainless steel nipple to the box.
b. Set the fixure height and tighten the plastic screw.
