Molecules Care Instructions

The origami lampshades in this collection are made of the best quality origami paper which easily resists environmental influences and changes. We recommend regular dry dusting with a feather duster or a very soft (paint) brush in order to maintain the appearance and quality.

100-240 V

20 wt LED light source (1200 Lm)

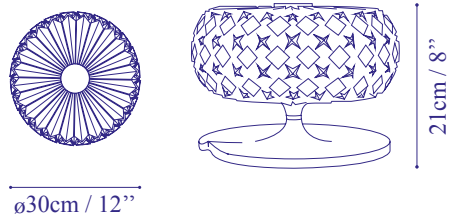

Touch sensor dimming (0-100%)

UL listed pending

Package

Volume: 52 x 52 x 32cm, 21 x 21 x 13"
