DIESEL SCULPTURAL WALL SCONCE

DWI32

Antique Brass, Hammered Iron

Four hammered metal discs spread across the Diesel Sculptural Wall Sconce in a bold, branching arrangement. Antique brass faces contrast with English bronze iron arms, with hand-worked surfaces making each disc subtly different. The expansive wall light functions as an illuminated sculptural composition, bringing warmth and graphic movement to a room.

APPEARANCE

Materials	Hammered Iron, Iron
Finishes	Antique Brass, English Bronze
