HALETTE SCONCE

49755  
H: 9 IN, W: 7.5 IN, D: 4 IN,  
Bronze, White Onyx

The minimalistic aesthetic of this sconce is a design force to be reckoned with. Setting the foundational stage is a gorgeous circular slab of white onyx, which is elevated by a bronze steel accent that adds dimension. The onyx works to filter the light and create a natural warm glow. We see this jewelry-inspired sconce, hung in multiples, adding a contemporary-classic vibe to a space. Damp rated, though limited outdoor conditions may affect finish. Damp-rated, although limited covered outdoor areas may affect finish.
