

BIZIKI DINING CHAIR

FRI10

Ebony Leather

H: 38 IN

W: 18 IN

D: 22 IN

Created with a handcrafted feel, our Biziki features a narrow back hand-wrapped in strips of smoke leather juxtaposed with a supportive stitched seat. Finished with square back legs and turned front legs of ebony-finished beech wood, this textural design is a perfect marriage of midcentury Italian style and the American arts and crafts movement. Leather will vary.

CONTRACT: Contract Suitable As Is
