

HORATIO BENCH

FHS02
Palm Gray
H: 17.5 IN
W: 60 IN
D: 29 IN

The free-flowing appeal of a woven bird's nest lends natural attraction to a textural bench of woven rattan in palm gray. Formed in a classic midcentury kidney shape, the bench is crafted to be hollow to keep things lightweight and easy to move. Hidden wooden legs inside give it a sturdy structure. Rattan will vary.
