ZELDA WALL SCONCE

DWC103
Champagne, Seeded Slump Glass

Exuberantly geometric, the Zelda Wall Sconce draws inspiration from the bold shapes and decadent details of Art Deco jewelry. An integrated LED is concealed behind a champagne glass shade, which is elegantly accented by white bronze iron hardware. This pairing of warm, golden glass and cool metallic tones creates a sophisticated, luminous glow, bringing a touch of vintage glamour to any interior.

APPEARANCE
