

BILAL FLUSH MOUNT

DFS01
Eucalyptus Coconut
Shell
H: 11 IN
Dia: 38.00 IN

The lush allure of tropical foliage informs the Bilal. From afar, this botanically inspired fixture resembles metal but is cleverly made of sustainable coconut shell in a rich eucalyptus hue inspired by succulent plants. A stylish companion to our Bilal chandelier, it is suspended from an antique brass-plated iron canopy. Finish will vary.
