

FINNEGAN SCONCE

DWC47
Natural Jute
H: 16 IN
W: 8 IN
D: 4 IN

Woven in a traditional Scandinavian rush seat pattern, this natural jute rope fixture lends a natural materiality to an architectural form. Clamped in an antique brass-plated iron setting, it is a dynamic addition to a classic coastal or rustic lodge-style interior. Damp-rated, although limited covered outdoor areas may affect finish. Finish will vary.
