

HAMMONDS FLUSH MOUNT

DFC14
Ivory
H: 5 IN
W: 17 IN
D: 9 IN

The stepped form of modern architecture informs this stylish flush mount. An extroverted piece molded from our new ivory faux vellum is bracketed by accents of oyster-hued wood. Suspended from an English bronze-plated steel canopy. Finish will vary. Damp-rated, although limited covered outdoor areas may affect finish.

CONTRACT: Suitable As Is
