

HEIRESS LINEAR CHANDELIER

DLI03
Antique Brass
H: 18 IN
W: 48 IN
D: 14 IN

The shapes and textures of Southwest fine jewelry inform a dazzling fixture of antique brass-plated iron. Zig-zag antique brass chains reminiscent of a lizard's spikes deliver subtle movement and a reflective glimmer. The delicately textured antique brass iron frame is suspended from the ceiling by dual antique brass chains. Damp-rated, although limited covered outdoor areas may affect finish.
