

GENESIS CHANDELIER

DSC08

H: 21.5 IN, Dia: 42.00 IN

Opal

The lavishness of layered necklaces is reflected in the jewelry-inspired Genesis. Swagged and draped along a framework of antique brass-plated steel, strings of opal seedy glass baubles add a dramatic accompaniment to opal glass shades. With a framework, pipe, and canopy of antique brass-plated steel, this elegant fixture adds instant glamour wherever it is placed. Damp-rated, although limited covered outdoor areas may affect finish.
