Blackened Steel, Ivory Stained
Crackle

A highly flexible solution for spaces of all kinds, the Glaze multipoint flushmount features two adjustable, pivoting arms with four frosted glass lights with stained ivory crackle ceramic shades. The design offers users the ability to customize the blackened steel fixture's layout to the space, casting light where it is needed. This flushmount is an excellent option for transitional spaces like foyers and hallways, also bringing drama to areas with lower ceilings. Finish will vary.
