

HARTLAND PENDANT

DPI10
Matte Charcoal
H: 19 IN
Dia: 16.00 IN

Inspired by an Indian bell, the dome form of the Hartland has the look of an ancient found form. Cast of aluminum in textured matte charcoal, the finish lets a hint of underlying silver peek through. The overscale shade's demi-lune cutout allows the bulb to disperse light with an exciting play of shadow. Damp-rated, although limited covered outdoor areas may affect finish. Finish will vary.
