

HUNTINGTON SCONCE

DWC55

Swirl

H: 20 IN

W: 6.5 IN

D: 4 IN

Meant to be mirrored in a pair, the clever Huntington features interchangeable cuffs of matte swirl glass and English bronze-plated steel. Bands of topstitched charcoal leather add a tailored edge to the industrial vibe. Damp-rated, although limited covered outdoor areas may affect finish. Finish will vary.

CONTRACT: Suitable As Is
