## LAGUNA LAMP

17004-850

H: 31 IN, Dia: 19.00 IN

Ocean Reactive Ceramic

Covered in 3-dimensional accents reminiscent of lilypads, the Laguna creates a bold statement. Its unconventional shape is crafted of ceramic, featuring an ocean reactive glaze that flows over and around the embellished accents for a beautiful contrast of hues. When illuminated, the range of its deep blue to green coloring becomes more prominent. Topped with an off-white cotton shade with an off-white cotton lining and a matching ceramic finial. Finish will vary.
