

HUGO OUTDOOR COFFEE TABLE

FCS17

Dune

H: 13.5 IN

Dia: 50.00 IN

This drum-shaped table lends an abstract allure to your outdoor lounge space. Woven of twisted synthetic rattan in dune, the lattice base projects an intriguing play of light and shadow. Topped with a matching teak wood surface, it is both coastal-inspired and contemporary. Finish will vary.

CONTRACT: Suitable As Is

SHIPPING REQUIREMENTS: TruckShip
