Grand curvatures and modern gray tones make for an inspiring place to work. The frame is coated in an exclusive, charcoal lacquer, rounded to give the desk a uniquely updated design. On the wide work space is a lacy and light, tropical ofram wood veneer in chateau gray, laid with a slip matched technique where the slices are patterned in the same way, rather than alternating. In keeping the façade clean and sleek, the drawer features a recessed handle, with single extension, soft-close glides.
