

WRIGHT GRID CHANDELIER

DLC50  
Antique Brass, Iron

Reinterpreting Mid-Century geometry through a modern lens; the Wright Grid Chandelier features a structured arrangement of antique brass-finished iron punctuated by white onyx diffusers. The balanced grid composition and stacked circular forms create depth and rhythm, while the warm metal finish lends a soft, ambient glow. Architectural yet refined, this chandelier makes a bold statement over dining tables or in living spaces.
