

GISELLE MULTI-PORT CHANDELIER

DPC35
Smoke Luster, Seeded Glass

Celestial and atmospheric; the Giselle Multi-Port Chandelier simulates meteors drifting through space with three handblown drops of smoke luster glass. Suspended from a cloth cord that leads to an antique brass iron canopy, the textured glass disperses light with a dramatic, ethereal effect. For maximum versatility, the height of each drop is individually adjustable at the canopy, allowing for a custom staggered silhouette.
