Sable, Wood

The Sautoir Mirror features a sculptural frame composed of repeating spherical forms. Crafted in sable mango wood, the deep finish is punctuated by two contrasting stone spheres that subtly disrupt the pattern with added dimension and texture. At an impressive 76-inch diameter, its grand scale transforms the mirror into a decorative focal point, amplifying light and presence while introducing playful geometry and refined contrast to the space.

APPEARANCE

Materials	Wood, Marble, Mirror
Finishes	Sable, Toronto, Plain
Finish Will Vary	Yes
