ARTERIORS

CUSTOMER ASSEMBLY INSTRUCTION

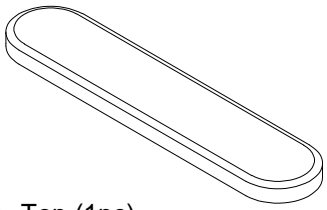

It is recommended to place a clean protective blanket on the floor prior to assembly to prevent damage to the product during the assembly process.
Verify that all components are present before beginning assembly.
This item must not be assembled by a single person. One or two additional persons are required to assist with lifting and handling heavier components.

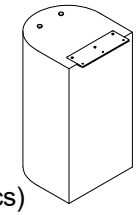

ITEM DESCRIPTION:

ITEM NO.: FLS14
NAME: Hartwell Console
MATERIAL TYPE: Concrete Composite
FINISH: Faux Burder Marble
ITEM NET WEIGHT: KGS : 59.4 LBS : 132

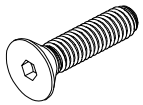

PART LIST

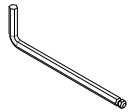

A. Top (1pc)

B. Base (2pcs)

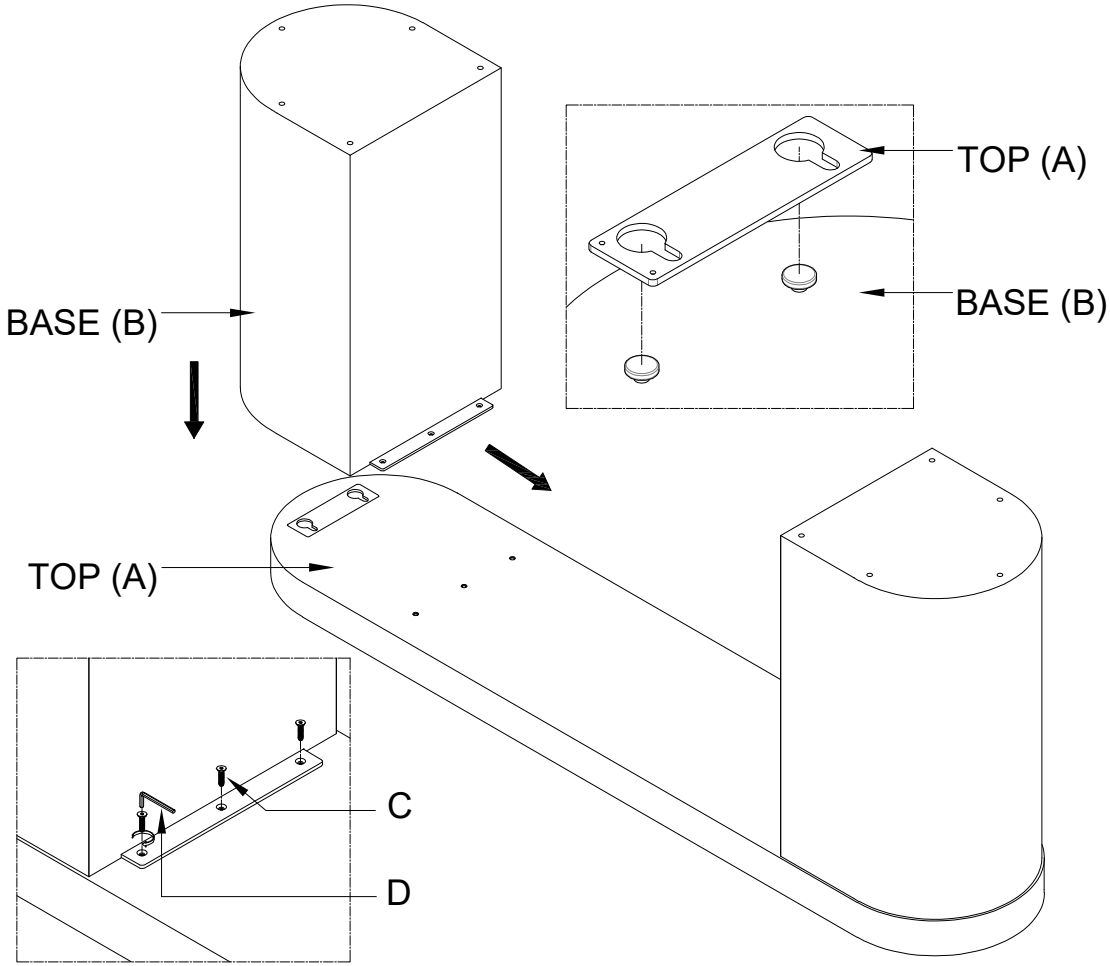

C. Bolt M6x25mm (6pcs)

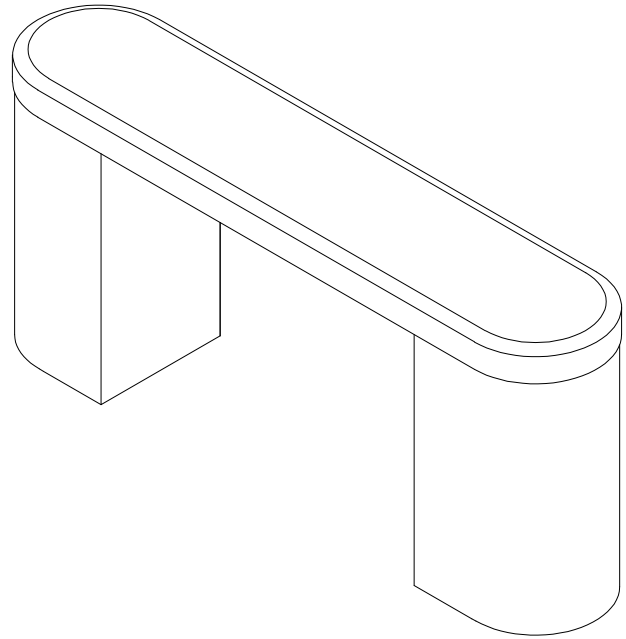

D. Alen key 4 (1pc)

Step 1:
Place the product on a soft, flat surface or carpet. Turn the tabletop (A) upside down. Position each table leg (B) upside down onto the tabletop. Align the metal pins on the legs with the large holes on the tabletop metal plate, then slide the legs inward. Secure each leg with 3 bolts (C) using the hex key (D).

Step 2:
Turn the table upright. Assembly is complete.

CARE INSTRUCTIONS:

Hardware may loosen overtime. Periodically check that all connections are tight.
Wipe with a soft, dry cloth. To protect finish, avoid the use of chemicals and household cleaners.
