ARTERIORS

GISELLE 12-LIGHT LINEAR MULTI-PORT

DMPGIS-L-12L-MB
Modern Brass, Plated Iron

The Giselle Linear Multi-Port Chandelier suspends a rhythm of glass teardrops along a rectangular canopy. Seeded glass introduces atmospheric texture, balanced by the warmth of modern brass plated iron. Select a configuration and adjust each pendant's height to create a level horizon, alternating drops or a flowing arrangement tailored to the space.
