ARTERIORS

BERKLEY LINEAR MULTI-PORT

The Berkley Linear Multi-Port Chandelier arranges pointed crystal pendants like a row of suspended jewels. Modern brass plated iron adds warmth to the faceted forms, illuminated by integrated LEDs beneath a linear canopy. Choose the pendant count and vary each drop's height to establish an even rhythm or a more expressive arrangement suited to the room.

APPEARANCE

Materials	Plated Iron, Crystal
Finish Will Vary	No
