JAVIER 24-LIGHT ROUND MULTI-PORT

DMPJAV-R-24L-EB
English Bronze, Plated Iron

Rounded crystal pendants give the Javier Round Multi-Port Chandelier a jewel-like clarity. Plated iron in modern brass or English bronze outlines each elongated form, suspended on fine cords beneath a round canopy. The collection offers multiple pendant counts and adjustable drop heights, allowing a close grouping or a sweeping cascade with an individual point of view.
