BERKLEY 12-LIGHT ROUND MULTI-PORT

DMPBER-R-12L-MB
Modern Brass, Plated Iron

Faceted crystal points turn the Berkley Round Multi-Port Chandelier into a suspended constellation. Modern brass plated iron caps each pendant, with integrated LEDs emphasizing the crisp geometry and luminous clarity of the crystal. Multiple pendant-count options and individually adjustable cords let the collection form a compact cluster, a stepped cascade or a more expansive statement beneath its round canopy.
