

O'R BIG PENDANT

Designed by Ariel Zuckerman

DESIGN & INSPIRATION

Named after the Hebrew word for 'light', it embodies a humble fusion of personal touch and forward-thinking design. Picture lampshades delicately crafted using 3D printing technology, seamlessly paired with the natural charm of wood. The result? A subtle yet enchanting interplay of textures, akin to the gentlest of textiles, casting a soft, inviting glow. Designed by Ariel Zuckerman, known for his innovative approach to materials, this pendant is a standout piece. Each piece carries a whisper of warmth and heritage, offering a nod to tradition with a contemporary twist.
