CO TABLE
Designed by *Norm Architects*

Introducing a new addition to the Co Collection.

Audo Copenhagen's new Co Table seamlessly integrates into the existing series, elevating the design language with its contemporary aesthetics and unmatched functionality.

Elevating professional environments, the Co Table profiles a simple yet elegant design, creating a cohesive look when combined with the series' chairs and task chairs. Crafted with precision for contract use, it marries durability, style and functionality, presenting a versatile solution suitable for various professional settings where aesthetics and performance go hand in hand.

Available in two rectangular size options and two material versions – a black powder-coated steel frame and Volcanic Black laminate tabletop with dark-stained solid oak trim, or black powder-coated steel apron, chromed legs and Crème laminate tabletop with solid oak trim – the inclusion of decorative screws and wood veneer trim highlight a meticulous attention to detail, emphasising the quality craftsmanship and design sophistication of the design.

The Co Table launches online and at Audo Copenhagen retailers on 28. February 2024.

About the Designer

Founded in Copenhagen in 2008 by Jonas Bjerre-Poulsen and Kasper Rønn, Norm Architects specialise in residential architecture, commercial interiors, industrial design, photography and art direction. Today, the group regularly collaborates with Audo, helping to drive the evolution of the brand and its product offerings. Norm Architects' name reflects the group's emphasis on the importance of drawing inspiration from norms and traditions within architecture and design – particularly the Scandinavian design principles of timeless aesthetics and natural materials, and the modernist values of restraint and refinement.
