

NOOK DINING TABLE  
STAR BASE - STEEL, BLACK - CERAMIC, SAND - Ø80 CM  
Designed by *Kroeyer-Saetter-Lassen*

The Nook tables are contemporary reimaginings of classic café-style design, thoughtfully crafted to elevate and enhance a variety of spaces with their versatile functionality and sleek aesthetic. With a four-star base and stem, the tables provide excellent stability while taking up minimal space. The Nook Dining Table is ideal for casual gatherings, workspaces or family meals, while the Nook Bar and Counter Tables are specifically sized for elevated surfaces, making them perfect for kitchen counters, patios or bars and cafés. Constructed from weather-resistant metal with a durable powder-coated finish, the series is built to withstand the elements, seamlessly transitioning between indoor and outdoor use. Available in three timeless colours and compatible with the Audo table top series, which includes options in round or rectangular shapes, they offer flexibility in materials and finishes to suit any aesthetic or functional need.

PRODUCTION PROCESS

The Nook Table is built for durability in outdoor environments. The welded, CNC-cut steel frame undergoes a double powder-coating process for optimal weather resistance. It is available in a range of tabletop materials and sizes to suit different needs. Each component is crafted for longevity.
