

MULLER VAN SEVEREN

BRIDGES cabinets

bd

Bridges is a collection of cabinets designed by Muller Van Severen. MVS developed the cabinets from their series of 'Wave' vases. The vase silhouettes were brought into handmade cabinets with unique cutout bases that transcend function. Their refined colours and glossy finishes emphasise structure, standing out with a sculptural beauty. Alone or as a whole, the Bridges cabinets create a colourful architecture that is vibrant and spacious and, of course, full of personality.

Bridges cabinets

FINISHES

Containers, shelves and doors are made of MDF and gloss lacquered in four different colors: NCS 3060-B90G (Green), NCS 3560-Y80R (Red), NCS 7020-R80B (Blue), NCS 8010-R10B (Aubergine). The interiors are always laquered in matt finish. 5mm glass top painted in the same color of the cabinet is optional. Back part of the cabinet painted in matte is optional. Regulation glides are included in order to fit the different floors. The doors have steel hidden hinges finished in titanium, installed with an automatic pulse opening spring system. Coat bar for clothes is an extra accessory for the L version.
