MULTILEG LOW TABLE ASH

Style: Rectangular

Color: Egg yolk

Expected Delivery 

Returns and warranty 

Find Stores 

The Multileg Low Table is made in natural ash with a gloss lacquer topped with glass or with an open-pore painted finish. It is functional, unique and unmissable. Jaime Hayon brought the Multileg concept into the table with its customisable leg options balanced under round and rectangular top options. The geometric legs make a sculptural base system. One designed to be practical and amusing.
