

SEQUEL[®] STUDIO 6601

DESK

USER MANUAL

LET'S GET STARTED.

DESIGN MATTHEW WEATHERLY

BDi

BDIUSA.COM

Congratulations on the purchase of your Sequel Studio Desk from BDI. Your desk has been designed to provide a lifetime of enjoyment. This manual will provide you with assembly instructions and other helpful information that will ensure that you get the most out of your desk. Please save it for future reference.

Your Sequel Studio Desk has been engineered for simple assembly. Please follow these directions carefully to prevent any damage.

Should you need further assistance, contact BDI at customerservice@bdiusa.com.

ENJOY!

HARDWARE AND COMPONENTS

Unpack and identify the parts listed below. The assembly workspace should be a non-marring surface, such as carpet. For missing hardware pieces, please contact BDI Customer Service at customerservice@bdiusa.com. For all other concerns, please contact your BDI retailer.

Do not use power tools for the assembly of this product.

 <div>Hex Wrench (T1)QTY: 1</div>	 <div>Leveler Wrench (T2)QTY: 1</div>	 <div>M6 x 15mm Screw (H1)QTY: 18</div>	 <div>Leveler (H2)QTY: 4</div>
 <div>Left Leg Frame (C1)QTY: 1</div>	 <div>Right Leg Frame (C2)QTY: 1</div>	 <div>Drawer Assembly (C3)QTY: 1</div>	
 <div>Lower Frame (C4)QTY: 1</div>	 <div>Back Panel (C5)QTY: 1</div>	 <div>Front Panel (C6)QTY: 1</div>	
 <div>Glass Desktop (C7)QTY: 1</div>	 <div>Drawer Liner (C8)QTY: 1</div>		

ASSEMBLY

STEP 1. INSTALL LEVELERS

Install **Levelers (H2)** into the bottom of **Left Leg (C1)** and **Right Leg Frames (C2)**.

	LEVELERS – H2	QTY 4
---	---------------	----------

ASSEMBLY

STEP 2. INSTALL SCREWS (PARTIALLY)

With levelers down, **partially** install **Screws (H1)** into the **upper holes** of the paired inserts on the inside edges of **Left Leg (C1)** and **Right Leg Frames (C2)**. **Screw (H1)** heads should be 1/4" (6mm) away from frame.

	SCREW – H1	QTY 6
---	------------	----------

STEP 3. INSTALL DRAWER ASSEMBLY FRAME

ASSEMBLY

On a soft surface such as a carpet, position **Right Leg Frame (C2)** as shown and hook **Drawer Assembly Frame (C3)** onto the partially threaded screws on the top of **Right Leg Frame (C2)**. Slide the frame down so that the screws go into the keyhole slot.

Insert **Screws (H1)** into the lower holes and **partially** tighten with **Hex Wrench (T1)**.

	HEX WRENCH – T1	QTY 1
	SCREW – H1	QTY 2

Lift and hook the **Drawer Assembly Frame (C3)** onto the **2 partially** threaded screws at the top of **Left Leg Frame (C1)**. Insert **Screws (H1)** into the lower holes and **partially** tighten with **Hex Wrench (T1)**.

	HEX WRENCH – T1	QTY 1
	SCREW – H1	QTY 2

STEP 5. INSTALL LOWER FRAME

ASSEMBLY

Lift and hook the **Lower Frame (C4)** onto the partially threaded screws as shown. Insert **Screws (H1)** into the lower holes and tighten with **Hex Wrench (T1)**. Including previous steps, fully tighten all screws at this time.

	HEX WRENCH – T1	QTY 1
	SCREW – H1	QTY 2

ASSEMBLY

STEP 6. INSTALL VELCRO STRIPS

Cables can be organized and stored on the lower frame with the use of the provided Velcro strips. Wires can be routed thru the top and out the bottom of the frame.

ASSEMBLY

STEP 7. INSTALL BACK PANEL—OPTIONAL

If positioning your desk away from a wall, the **Back Panel (C5)** may be installed. The lower edge goes into the channel on the **Lower Frame (C4)** and is held in place with magnets.

STEP 8. INSTALL GLASS DESKTOP

ASSEMBLY

Install the **Glass Desktop (C7)** as shown and secure with **Screws (H1)** going through the metal tabs on the frame and into the inserts in the corners of the guide blocks under the **Glass Desktop (C7)**. Tighten using the **Hex Wrench (T1)**.

	HEX WRENCH – T1	QTY 1
	SCREW – H1	QTY 6

STEP 9. INSTALL FRONT PANEL

ASSEMBLY

Install the **Front Panel (C6)** by placing the bottom edge into the channel on the front of the **Lower Frame (C4)**. Rotate back and vertically until the top edge magnetically attaches to the frame.

ASSEMBLY

STEP 10. INSTALL DRAWER LINER

Open drawer and install **Drawer Liner (C8)**.

FINE TUNING

LEVEL DESK

If needed, dial out 1 or more of the levelers using **Leveler Wrench (T2)**.

ASSEMBLY COMPLETE

- ☐ Confirm all fasteners are fully tightened
- ☐ Confirm desk is level and stable
- ☐ Confirm glass surface is aligned evenly

GLASS

Glass surface is maintained using household glass cleaner and a paper towel or cloth.

SATIN-ETCHED GLASS

This uniquely smooth-to-the-touch glass surface can be regularly maintained using household glass cleaner and a paper towel or cloth. Minor scratches or scuffs not eliminated using paper towel or cloth can usually be removed by using a 'Magic Eraser'. Magic Eraser is a melamine foam product available at any grocery store or home improvement center. Dampen the entire glass surface as well as the Magic Eraser, then rub the entire glass surface in broad, even strokes using moderate pressure. Clean and dry the surface with a paper towel. Check for results and repeat as necessary.

Any scratches or scuffing not eliminated by one of the above methods can often be addressed by 'refreshing' the glass. This is a process that should not be required more than once per 6-12 months. See this brief video for the simple method: www.bdiusa.com/glass

WOOD

Wood surfaces should be cleaned with a slightly damp (not saturated) cloth or paper towel. Do not use glass cleaner on wood. If moisture remains, dry the surface with another cloth. If needed, a gentle non-abrasive cleanser may be used, but be sure to wipe away all cleaner residue and dry the surface with a cloth.

BDI's wood finishes feature natural hardwood solids and veneers. Wood is a product of nature and—unlike man-made materials that can be manufactured to strict and consistent specifications—has natural imperfections that are part of its appeal and character. Every piece of wood differs from every other, even when coming from the very same tree. As such, variation in grain, texture and tone should be expected from one panel or piece of furniture to the next.

While BDI's stained wood finishes are stable in tone & appearance, all finishes are subject to some degree of discoloration with prolonged exposure to direct sunlight. Please take care to avoid positioning your BDI cabinet in any area with extensive direct sunlight. To learn more about the features of natural wood, visit www.bdiusa.com/wood

METAL & PAINTED SURFACES

Surfaces should be cleaned with a slightly damp (not saturated) cloth or paper towel. If moisture remains, dry the surface with another cloth. If needed, a gentle non-abrasive cleanser may be used, but be sure to wipe away all cleaner residue and dry the surface with a cloth.

WARRANTY

BDI warrants to the original purchaser that for the below-stated warranty term, BDI will replace any product, part, or component covered by this warranty that fails under normal use as a result of a defect in material or workmanship. The decision to replace a complete product versus the part or component in question will be at BDI's sole discretion.

Residential Use: BDI Furnishings carry warranty coverage for three (3) years from the date of product delivery, as shown on your sales receipt/documentation. Select chairs carry coverage for five (5) years from the date of product delivery.

Commercial Use: BDI Furnishings carry warranty coverage for one (1) year from the date of product delivery, as shown on your sales receipt/documentation. Select chairs carry coverage for five (5) years from the date of the product delivery, based on an 8-hour daily use pattern.

BDI reserves the right to refine or update its warranty from time to time. See the complete and latest warranty document at www.bdiusa.com/warranty.

PRODUCT REGISTRATION

Registering your new BDI product allows us to send you important product updates, service information, and helpful hints related to your BDI products.

Register today, and you will be **entered to win free a BINK table** from BDI: www.bdiusa.com/register
