

## Plateau Medium Table

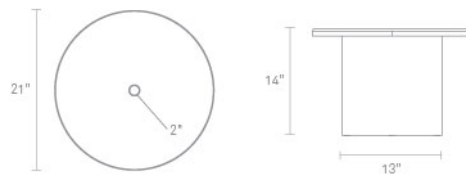

A polished wheel of Carrara marble sits on a tidy steel base for an effect that is loaded with low key elegance. Great on it's own, but pairs nicely with the Plateau Coffee Table and Plateau Side Table.

### Materials

- Powder-coated steel base
- Polished Carrara marble top
- Not suitable for outdoor use.
- Some assembly required

Marble is a dynamic and natural material. This means that distinctive natural marks may occur in the top and will vary from table to table. This is part of its intrinsic beauty. We recommend that the polished marble top be sealed on occasion (every year or two) to avoid/delay any surface changes. An impregnating sealer easily available at most hardware stores is your best bet.
