

Welcome To Our Buddy Community!

Attach the key and bring your Buddy to life with a simple yet meaningful act of connection—a gentle reminder to prioritize yourself and create a vibe that's just right for you.

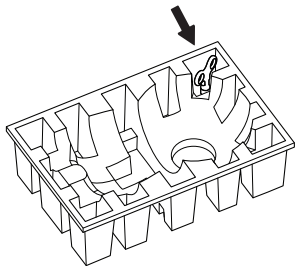

Attaching Your Buddy's Key

Buddy

Before first use, please attach the key found inside this box to ensure your Buddy is fully assembled and ready to brighten your space.

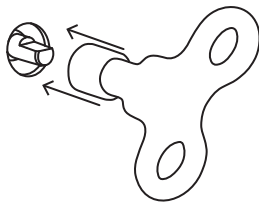

1. Locate the Key

Find the key in its designated spot inside the box.

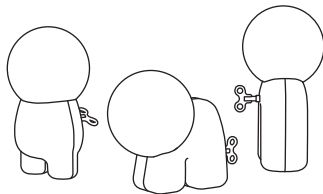

2. Insert the Key

Align it with the slot and press gently until it locks into place.

3. Your Buddy is complete!

With the key in place, your Buddy is ready to brighten your mood when nothing else can.

To avoid damage, keep the key securely in place and avoid removing it unnecessarily. In the rare event it's damaged or lost, our support team is happy to assist with replacement options. Please note that replacements aren't covered under warranty and may incur additional costs.
