\$699.00

DESCRIPTION

The Australian Original FANAWAY Classic retractable 4-blade ceiling fan and with dimmable LED light kit in oil rubbed bronze. 3-speed remote control, with dimmable function, on/off light button and wall mount is included. Fanaway Classic from FANAWAY is an advanced ceiling fan with unique aesthetics and energy efficient design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, and visually the unit transforms into a slim, modern light pendant. Turning the fan on creates a centrifugal force which deploys the blades to circulate air within a room. It creates open space in the room environment, accumulates less dust, and is unobtrusive and versatile to visually integrate into most building interiors. The Fanaway Classic takes its influence from Hamptons and Industrial styling. The star of this Fanaway design is the light kit that features 3 vintage LED bulbs, which enhance every ounce of its industrial yet modern charm. Fanaway US patents and Design Registrations current. US Patent 8317470, US Patent 8807938, US Patent 8790085, US Patent 9255584, US Patent 8851841.
