

Fanaway Evo1 Brushed Chrome Retractable 4-blade LED Lighting With Remote Ceiling Fan

\$599.00

DESCRIPTION

The Australian Original FANAWAY Evo1 retractable blades ceiling fan and dimmable LED light in brushed chrome with clear acrylic blades and colour shifting technology and remote control included. Fanaway US patents and Design Registrations current. US Patent 8317470, US Patent 8807938, US Patent 8790085, US Patent 9255584, US Patent 8851841. **HIGH QUALITY & MULTI-SPEED** - Our Evo1 Retractable Ceiling Fan provides comfort, style, and customizable features. Equipped with 4 blades, this energy-efficient ceiling fan comes with a multi-speed remote control, dimmable LED bulbs, and customizable design. This fan is a perfect contemporary blend of functionality, sustainability, and style. **RETRACTABLE BLADES** - The Evo1 is fitted with retractable clear acrylic blades and brushed chrome fixtures, allowing you to customize the look of the light and fan fixture for any moment. When you switch the fan off, the blades automatically retract above the light fixture and elevate your space. **DIMMABLE LED LIGHTS** - The light fixture included with this invisible blade fan exudes character. The sleek, modern design of the light kit pairs beautifully with the chrome base, filling your space with light and modern elegance. **REMOTE CONTROLLED** - With the 3-speed remote control kit, you can monitor the speed, direction, and intensity of airflow of your Evo1. The remote can also be used to dim the LED lights included with this product. **QUIET & COMPATIBLE** - The craftsmanship of this chandelier fan's blades quells noise and allows for the quiet distribution of air throughout your room. The retractable blades and 3-speed controls make for an energy-efficient fan that you can personalize to match your changing needs
