

Fanaway Stroll White 42-inch Retractable Ceiling Fan

\$299.00

DESCRIPTION

The Australian original Fanaway® Stroll 42in DC Fan in White with Clear Retractable Blades combines sleek, modern design with advanced functionality to enhance any living space. Featuring a minimalist aesthetic, the fan's 3 retractable blades maintain a clean look when not in use. Powered by an energy-efficient DC motor, it uses less energy than traditional fans while providing whisper-quiet operation. With versatile winter and summer modes, it ensures year-round comfort, cooling in the summer and improving heat circulation in the winter. The fan also features dimmable LED lighting and multiple speed settings, all easily controlled with a remote, making it a stylish and practical addition to any room.

Features:

DC motor for energy-efficient performance and quieter operation.

Constructed from durable plastic, and the blades are made from robust polycarbonate (PC) for enhanced durability.

Clear retractable blades that elegantly disappear when the fan is off.

Maximum airflow of 3100 CFM, ensuring effective cooling and ventilation.

Includes a 6-speed remote control for easy operation of speed and lighting settings.

Offers a versatile color-changing feature, allowing customization of the fan's appearance with adjustable light settings to suit any decor.

Adjustable airflow direction for both summer cooling and winter heat circulation.

Designed specifically for indoor spaces, perfect for living rooms, bedrooms, and dining areas.

Customizable installation with optional downrods 210544120; 210544240; 210544360 (sold separately) for adjustable ceiling heights.
