

Fanaway Evo2 Brushed Chrome Retractable 4-blade Lighting with Remote Ceiling Fan

\$449.00

DESCRIPTION

The Australian Original FANAWAY Evo2 Endure retractable PC blades ceiling fan in brushed chrome, dimmable LED light kit and remote control included. EVO 2 Endure from FANAWAY® is an advanced ceiling fan with unique aesthetics and energy efficient design. Switched off, the traditionally intrusive fan blades automatically retract and conceal, and visually the unit transforms into a slim, modern light pendant. Turning the fan on creates a centrifugal force which deploys the blades to circulate air within a room. It creates open space in the room environment, accumulates less dust, and is unobtrusive and versatile to visually integrate into most building interiors. Fanaway US patents and Design Registrations current. US Patent 8317470, US Patent 8807938, US Patent 8790085, US Patent 9255584, US Patent 8851841.
