OLLO

A Personal Universe that Moves with You.

The new Ollo portable lamp brings interior light that you can always keep close – wherever you are. Its name, inspired by its distinctly circular shape, evokes balance, symmetry, and cyclical flow. At the heart of the design is a glass ring, within which a silent, captivating universe unfolds. Tiny bubbles, organically caught in the delicate swirls of cast clear glass, resemble stars – making each piece its own little cosmos.

Design by Václav Mlynář

OLLO

A Personal Universe that Moves with You.

Ollo is available in three brushed-metal finishes: bronze, silver, and anthracite. Both the intensity and color temperature of the light can be adjusted from 1850K to 4000K. Whether to create a warm, cozy ambiance or to support focused work with bright white light. Rechargeable via USB-C, Ollo offers everyday convenience and true portability, adapting effortlessly to your needs.

Design by Václav Mlynář

production

Crystal glass is poured into the mould and then pressed.

Each Ollo portable lamp has it's own unique structure of the glass.

Handmade glass attributes

All Bomma products are hand-made from mouth-blown lead-free crystal. Therefore any small bubbles, non-melts and irregularities in the glass are both proof and a characteristic feature of this traditional craft.

The intensity and color shade of the iridescent metal-coating may vary slightly from product to product. Small dots in the coating, especially visible after the light is on, are not a defect of the product.

LIGHTING DESCRIPTION

Size	mounting dia. 65mm, glass dia. 150mm overall 150mm, height 160 mm
Mounting	brushed silver, brushed antracite, brushed bronze
Material	stainless steel
Glass	cast lead-free crystal glass
Glass colour	crystal clear
Weight	+/- 2.3 kg / 5.1 lb
Protection	IP 44
Battery	Li-Ion battery 4.2V 9000mA / 31Wh LED battery status control 25% 50% 75% 100% 10 hours at 75% brightness
Charging	USB-C quick charge, ~ 3,5h do plného nabití
Nominal Voltage	5V / 2A / 10W cable is not included, charger is not included

LIGHT SOURCE

Type	LED module ring – 4W
Base	custom LUMILEDS LUXEON 3030 HE Plus
Temperature	tunable white 1850 - 4000 K
Luminous Flux	784 lm
Luminous Efficacy	196 lm/W
Color index	RA 90+
Dimming	integrated rotary knob

PACKAGING

Material	Cardboard
Size	220 × 220 × 250 mm 8.6 × 8.6 × 9.8 inch
Origin: traditionally produced in the Czech Republic Intellectual property license holder: Bomma Czech Republic (EU) Represented by BMRC group s.r.o.
