Table arrives fully assembled

Complete your perfect look by mixing
and matching your decor with the
extensive range of products from
Butler Specialty Company! Discover
endless possibilities to express your
style and create a space that truly
feels like home.

Hollow core construction reduces
overall weight for easier placement
while maintaining an impressive 200
lb. weight capacity

The hourglass pedestal form
provides balanced support and
eliminates traditional legs, creating a
bold geometric profile with reliable
structural performance.

Crafted from kiln-dried wood with
mortise and tenon joinery for
exceptional strength and stability
Weight Capacity: 200 lbs

Ideal for use in Living room, lounge,
office, reception, sitting area, library,
hospitality suite.

To clean, wipe clean with a clean dry
cloth and dust regularly. If spills
occur, wipe spills with a damp cloth
and dry immediately. No abrasives or
household cleaners which can
damage the wood. Drink coasters are
recommended
