The premium leather seat is both comfortable and resilient, offering a soft yet supportive seating experience

A square iron base offers stability and durability, ideal for residential and commercial use. Its balanced design prevents tipping, while strong iron resists bending under heavy weight. Built-in footrests for added comfort.

The footrest enhances stability, provides ergonomic support, and promotes comfort for extended use  
Weight Capacity: 250 lbs

Ideal for use at kitchen islands, bar counters, high-top tables, and entertainment areas in residential or commercial settings

Leather is a durable and flexible material created by tanning rawhide and skins. Blot with a clean, absorbent cloth; do not leave spills unattended. Leather conditioner is safe to use.
