Long Infuse your space with organic
Description: sophistication through the Butler Specialty Company Billie Round Drum End Table, where the natural elegance of mappa burl meets contemporary form. The refined silhouette and warm tones bring effortless style to any interior. Whether enhancing a residential living space or elevating the aesthetic of a commercial lounge or hospitality setting, the Billie table is a distinctive design statement—an ideal surface for lighting, decorative objects, or practical essentials.
Materials: Mindi Wood, Mappa Burl Veneer and MDF

Shape: Round

Product The color is medium brown

Features: Exceptionally built using Mindi Wood, Mappa Wood Veneer, Engineered Wood and Mixed Wood

Features a gorgeous Mappa Burl Veneer top over engineered wood with a solid wood frame, mortise and tenon joinery, and a hollow inside with flat engineered wood bottom panel

Shape is round with 4 legs

Product Dimensions: 22"W x 22"D x 24.25"H, Item Weight: 39 lbs

Delivered fully assembled, this piece is ready to enhance your home from the moment it arrives.

Complete your perfect look by mixing and matching your decor with the extensive range of products from Butler Specialty Company! Discover endless possibilities to express your style and create a space that truly feels like home.

Top diameter is 22"; Legs measure 5"H x 2"W

Features a gorgeous Mappa burl veneer which can have variations in color tones and burl pockets that range from dark red to brown and finished in a nitrocellulose lacquer offering resistance to heat, water and alcohol.

This piece features veneer work and engineered wood substrates. The wood veneer is used for a smooth and consistent color tone, while the engineered wood beneath it provides strength and structural longevity and allows us to achieve specific looks and functions that are not easy or able to be achieved with solid wood

Weight Capacity: 200 lbs

Ideal for use in Living room, bedroom, hotel suite, office, lounge, lobby, entryway, reception area.

To clean, wipe clean with a clean dry cloth and dust regularly. If spills occur, wipe spills with a damp cloth and dry immediately. No abrasives or household cleaners which can damage the wood. Drink coasters are recommended
