Long: The Butler Specialty Company Lark

Description: Collection brings a straightforward design with elevated elegance and attention to detail. Crafted from solid wood, engineered wood, and wood veneers and finished with brass pulls, this console table offers plenty of storage between it's 3 drawers and open lower shelf.

Materials: Acacia Solids, MDF, Acacia Veneers

Shape: Rectangular

Product: The color is navy blue

Features: Exceptionally built using Acacia Solids, MDF and Acacia Veneers
Construction Details: This console table is crafted from Acacia or Pine solids, MDF, and Acacia or Pine veneers, offering both durability and beauty. The solid wood frame

combined with veneer on the top, fronts, and sides ensures a smooth, consistent color tone while the engineered wood substrate adds strength and structural longevity. Tongue and groove joinery, along with corner blocks, enhance the table's overall stability, ensuring lasting sturdiness. The three pull-out drawers are equipped with ball-bearing metal side glides, providing smooth, effortless drawer operation. Finished in a textured look with distressed detailing, the lacquer finish adds a protective layer that resists stains and scratches. Kiln-dried wood helps prevent warping, and plastic floor protectors safeguard your floors, ensuring both function and style for years to come. Shape is rectangular with 4 legs
