

FOLD TABLE LAMP

The Fold lamp is inspired by the dark, angular architecture of the original Blade Runner. The base block of polished granite presents a grand contrast with the satin black or white aluminium reflectors. The reflectors are folded into two fins, reflecting an ambient glow to the front and back.

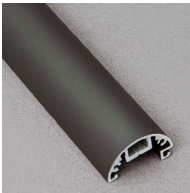

SPECIFICATIONS

WARRANTY	5 year structural	LIGHT SOURCE	24V warm white (3000K) LED
MOUNTING	Ceiling	VOLTAGE	24V
WEIGHT	6.5kg	POWER	38W
