With hand-blown Piastra glass, this statement pendant reimagines a traditional lantern as an aquatic vision. Resembling water, the rippled glass silhouette diffuses and reflects the light coming from within. Vintage Brass pins and chains suspend the fixture, bringing a sense of the old world to the contemporary materiality. Available in three sizes as a lantern or as a flush mount.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
