

Clipper Chair

Caracole

With a Space Age-inspired design, this shapely swivel chair calls to mind the undulating, curvaceous aesthetic of an era that fused art and imagination with progress and innovation. Meticulously tailored, its streamlined silhouette is accentuated by a taupe faux-mohair velvet on the inside, and a tactile silver metallic fabric along the outside and back. Like a gear or cog, its rounded plinth base with a micro-reeding detail seamlessly mixes classicism with industrialism for a finishing touch that is uniquely Caracole.
